10. BORROWER DEFAULT

10.1 Default Interest

In the event that any amount of principal, interest, fees or reimbursement for costs or expenses is not paid to SEK on its due date, the Assignor shall, subject to Clause 10.2 (*Conditional Payments*), from such due date and for as long as the delay continues, pay to SEK Default Interest on its Pro Rata Share of the overdue amount, unless and to the extent that the Borrower or any other Obligor pays such Default Interest to SEK prior to receipt by SEK of the Default Interest from the Assignor.

10.2 Conditional Payments

- (a) In the event of a non-payment by the Borrower the Assignor may avoid paying Default Interest to SEK by making a conditional payment to SEK equal to the amount due but unpaid by the Borrower. In connection with such conditional payment the Assignor or the Agent shall inform SEK that the corresponding payment has not been received from the Borrower and that the payment therefore is to be considered conditional.
- (b) Subject to paragraph (d) below, SEK shall upon the Assignor's or the Agent's request promptly repay a conditional payment amount to the account designated by the Assignor or the Agent. Following such repayment Default Interest shall be payable to SEK from the date of repayment in accordance with Clause 10.1 (*Default Interest*) unless and until SEK has received the corresponding amount due from the Borrower or the Assignor.
- (c) Upon confirmation from the Assignor or the Agent that the Borrower or any Obligor has paid an amount corresponding to the conditional payment made to SEK to the Assignor, such payment shall no longer be deemed conditional.
- (d) The Assignor or the Agent must no less frequently than once every twenty (20) Business Days confirm to SEK whether the conditional payment shall continue to be deemed conditional. A new period of twenty (20) Business Days shall begin each time SEK is notified that the payment is still conditional. If the Assignor does not, before the end of any twenty (20) Business Day period, confirm to SEK that a payment is conditional such payment will automatically be deemed unconditional following which the Assignor will no longer have the right to recover the payment from SEK.
- (e) If, after a conditional payment has been deemed unconditional pursuant to paragraph (d) above, the Borrower or any other Obligor makes the corresponding payment such payment shall be for the account of the Assignor.

10.3 Actions against the Borrower and the Obligors

- (a) In the event of non-compliance or default (howsoever described) under the Finance Documents, the Agent, SEK and the Assignors shall discuss in

good faith what measures are to be taken. The Agent shall propose a course of action and co-ordinate discussions between ECA, SEK, the Agent and the Assignors as well as with any intercreditor or security agent or similar and any other lenders. The Agent shall obtain the opinion or consent of the ECA before any acceleration, enforcement, termination, cancellation, restructuring, waiver or consent is initiated against or agreed with the Borrower or any other Obligor. If SEK, the Assignors and the Agent disagree on a course of action, the matter shall be decided in accordance with the decision making procedures and voting rights under the Finance Documents whereby the Assignors shall be deemed to be "lenders" in respect of their Pro Rata Share. However, no decision may be taken which is inconsistent with the opinion of the ECA. If the opinion of the ECA has not been obtained with respect to a particular issue, any decision thereon by SEK, the Agent and the Assignors shall be subject to the ECA's approval.

- (b) Subject to compliance with paragraph (a), the Agent and the Assignors shall procure that all actions taken against the Borrower or any Obligor are carried out in accordance with the terms of the Finance Documents, the ECA Guarantee and applicable law.

11. RE-ASSIGNMENT

- 11.1 The Assignor shall at all times have the right upon ten (10) Business Day's written notice to require SEK to re-assign (by way of assignment, transfer or novation) to the Assignor such Assignor's Pro Rata Share of the Facility ("**Re-Assignment**").
- 11.2 In the event that the ECA Guarantee is repudiated, withdrawn, limited, suspended, terminated or cancelled or otherwise ceases to be in full force and effect or binding or enforceable against the ECA, other than due to the act or omission of SEK, SEK shall be entitled, but not obliged, to require a Re-Assignment to the Assignor, following which a transfer, assignment or novation (as the case may be) of the Assignor's Pro Rata Share of the Facility shall be made from SEK to the Assignor upon ten (10) Business Day's written notice.
- 11.3 The price to be paid (in immediately available funds and free and clear of any set-off, deduction or withholding) by the Assignor for a Re-Assignment pursuant to Clauses 11.1 or 11.2 shall equal the Assignor's Pro Rata Share of all (but not part of) outstanding Loans and other amounts accrued under the Finance Documents and the Binding Offer. The Assignor shall also compensate SEK for any Interest Loss and reimburse SEK for all costs and expenses incurred in connection with the Re-Assignment.

12. THE ASSIGNOR'S INDEMNITIES

- 12.1 **Prepayment, cancellation and change to the availability period for Disbursement**

The Assignor shall within ten (10) Business Days of receipt of SEK's demand or, if SEK so requests the Agent's invoice, compensate SEK for its Pro Rata Share of SEK's costs, expenses and Interest Loss in connection with the prepayment of a Loan, cancellation of a Commitment (voluntary or involuntary) or change to the availability period for Disbursement.

12.2 Costs and expenses

The Assignor shall upon demand compensate SEK, based on the Assignor's Pro Rata Share, for any external costs or expenses incurred by SEK under item (a) and (c) below, and for any external and internal costs or expenses incurred by SEK under item (b) and (d) to (f) below, in relation to the Binding Offer, the Assignment or SEK's participation in the Facility. Costs and expenses to be compensated under this Clause 12.2 (*Costs and expenses*) shall be direct out-of-pocket costs and expenses, which may include:

- (a) costs and expenses incurred by SEK when reviewing and analysing the proposed export and financing transactions;
- (b) costs and expenses incurred by SEK when conducting its environmental and social assessments and reviews with respect to a project;
- (c) costs and expenses incurred by SEK in connection with the negotiation, preparation and entering into of any Finance Document, Assignment Document or ECA Document;
- (d) costs and expenses incurred by SEK in connection with the investigation into and actions taken due to any actual or potential default (howsoever described) by the Borrower or any other Obligor;
- (e) costs and expenses incurred by SEK in connection with the enforcement of any of any of its rights under any Finance Document, Assignment Document or ECA Document; and
- (f) currency exchange losses incurred by SEK in connection with payment of compensation by the ECA.

12.3 SEK Fees

The Assignor shall on each due date pay to SEK its Pro Rata Share of any SEK Fees or any amendment or waiver fee charged by SEK in connection with any request to amend or waive any provision in the Financing Agreement or in the Assignment Documents.

13 NON-INDEMNIFICATION BY THE ECA

- 13.1 In the event that SEK does not receive amounts due to it under the Financing Agreement, and the ECA based on the ECA Documents, decides not to pay full compensation under the ECA Guarantee, the Agent or, if the Assignor Guarantee so specify, the Assignors shall upon demand indemnify SEK against any, cost, loss or liability, including credit loss and Interest Loss, incurred by SEK as a result thereof, unless the ECA's decision was entirely caused by SEK's gross negligence. The amount of the cost, loss or liability shall be equal to the amount which SEK would otherwise have been entitled to recover.
- 13.2 If the ECA's decision not to pay full compensation under the ECA Guarantee has become subject to arbitration or court proceedings, as the case may be, the obligation to pay compensation to SEK pursuant to Clause 13.1 shall be subject to and not be payable to SEK until and to the extent a final arbitration award or

judgment, as the case may be, has upheld or confirmed the ECA's decision not to pay full compensation.

- 13.3 Following an Assignor's payment of compensation to SEK, that Assignor shall be subrogated to SEK and SEK shall upon request and subject to necessary approvals from any relevant party assign, transfer or novate to that Assignor without recourse its corresponding claim (if any) on the Borrower, any other Obligor and the ECA.

14. SEVERAL LIABILITY OF ASSIGNORS

- 14.1 Notwithstanding any other provision in these General Terms, if there is more than one Assignor the liability and obligations of the Assignors under the Assignment Documents shall be several and be equal to each respective Assignor's Pro Rata Share.
- 14.2 A failure by the Agent or any Assignor to perform its obligations under the Assignment Documents shall not relieve any other Assignor of its obligations and liability under the Assignment Documents to which it is a party.

15. RANKING OF DOCUMENTS

- 15.1 In the event of any inconsistency between the provisions of the Assignment Documents such documents shall rank in the following order of priority:
1. the Assignor Guarantee,
 2. the Binding Offer,
 3. these General Terms; and
 4. the Assignment Certificate.
- 15.2 In the event of any inconsistency between the provisions of any Assignment Document and any Finance Document the provisions of the Assignment Document shall prevail as between the Assignor, the Agent (provided it is party to such Assignment Document) and SEK.

16.2 No limit of liability

The fact that SEK may, pursuant to the ECA Documents, be jointly and severally liable towards the ECA for the Guarantee Holder's obligations under the ECA Guarantee shall not reduce or otherwise affect the Assignor's obligations or liability towards SEK under these General Terms or the Assignor Guarantee.
